

ALTER REAL, ALENTEJO, PORTUGAL

STUD FARM ACTIVITIES

COME AND EXPERIENCE UNIQUE MOMENTS **IN ALTER REAL**

Founded in 1748 by King João V, the Alter Stud Farm is the oldest stud farm in continuous operation in the same location in the world and the birthplace of the Lusitano horse, with particular emphasis on the Alter Real lineage.

In addition to preserving this breed, it offers visits, cultural activities and various equestrian tourism experiences, such as lessons, rides and horse baptisms.
